

Charity of the Year.

We would love you to consider adopting the OPEN YOUTH Trust as your Charity of the Year.

You will be assigned a dedicated account manager so your staff will know their fundraising efforts are making a real difference to young people locally. Being a local charity you can be assured that all the money you raise will go towards providing positive opportunities for young people in Norfolk. Supporting us for a year allows your employees to meaningfully engage with our work. We will work closely together to create a tailored package that is successful, enjoyable and exciting.

This kind of embedded partnership is ideal for OPEN and demonstrates a company's firm commitment to being right at the heart of the Norfolk community.

There are many ways in which you can support us

- Staff fundraising events
- Staff challenge events
- Regular donations
- Gifts in kind
- Pro-Bono support and expertise
- Volunteering and mentoring opportunities
- Promoting Gifts in Wills opportunities

Benefits to you could include increasing staff engagement, supporting particular initiatives and increasing your profile within the Norfolk community.

If you have a particular CSR theme, please do contact Grainne and she will be more than happy to meet you to discuss how we can work together.
